CALIFORNIA ASSEMBLY - HOUSING & LAND USE

## AB-1111 (2021-2022)

Postsecondary education: common course numbering system

District 24 Assembly Member [Marc Berman](#)

### Purpose

- Creates a common course numbering system at CA Community Colleges, reducing necessary confusion easing advising, streamlining transfers, and reducing excess credit accumulations, saving students both time and money.

### Status

- **History:** 10/06/21 - Chaptered by Secretary of State - Chapter 568, Statutes of 2021.
- **Votes:** 09/09/21 - (PASS) - Assembly Floor - Ayes: 79, Noes: 0, NVR: 1 - AB-1111 Berman Concurrence in Senate Amendments.

### Position

- LASCC's Position: **Oppose**
- BizFed voted to approve, with contention. This is \$600k per campus to merely change course numbers. We have not fully reviewed the legislation.

With most campus class info and registration online, it seems that \$600k per campus is exorbitant and could go for a lot of scholarships, tuition reduction or other student support
