

# LASCC Connections

Arnie Corlin, Chair Governmental Relations and Advocacy

---

## LASCC Advocacy Legislative Updates and Member's Legislation Recommendations

With the busiest election and legislative season ever, now over, updates to the website will begin over the next few weeks.

Although the sessions are not in, legislators are already making plans for the 2021 legislative year.

**Do you have recommendations for legislation?** Elected officials are requesting recommendations for the upcoming 2021 legislative session.

If you have something that you believe would be good policy, or modify existing policy, contact us or go to our website at [lascc.us](http://lascc.us) and fill out our form.

---

## LASCC Government Relations and Advocacy - Available Presentations

- **LASCC Opposition to the 105 Century Freeway FasTrak Lane**  
*LA South Chamber of Commerce has taken a position to oppose the proposed 105 Century freeway FasTrak lane*
  - Caltrans and Metro Board continue to disregard South Los Angeles struggles for housing, jobs, economic opportunity, and the need to reduce environmental hazards
- **Reimagining Telehealth Beyond Video**
  - This presentation is designed to improve access, affordability, and quality of healthcare
    - Encourages and creates pathways to the availability of careers, including entry-level youth jobs, and entrepreneurship, in a new and rapidly yet to be developed healthcare delivery system for all populations.
    - INCLUDES all sectors; consumers, health practitioners, legislators, insurance, IT/ internet providers, product developers, and others.

*"It's time for telehealth to become a disruptive component of the healthcare delivery system."*
