Votes: 08/11/22 (PASS) - Asm Appropriations - Ayes: 13, Noes: 1, NVR: 2 - Do pass.

Position

- SB-1107 will likely increase auto insurance premiums, as well as increase lawsuits at a time when everything is already very expensive and likely to be much more expensive in the near future.

- Note: Assemblymember Mike Gipson is on the Assembly Insurance committee who is meeting on 6/22/2022 and is scheduled to vote on this legislation. I inquired about Gipson's position on how this would affect the businesses and communities financially and would increase lawsuit. Gipson's staff expressed similar concerns.
